Notice

We are delighted to announce that the **Acpians Innovation and Engineering Society (AIES)** will be conducting a prestigious event **"Formal Event"** designed to showcase and enhance your technical skills. This event will provide an exceptional platform for you to demonstrate your expertise and engage with various fields of innovation and engineering.

Join us for an opportunity to grow, learn, and collaborate with fellow innovators and engineers. We look forward to your participation and are confident that this event will be both rewarding and enjoyable. Let's come together to innovate, create, and grow.

Events:

- Technical Presentation
- Group Discussion
- Content with creative writing
- Logo Design
- Quiz
- Extempore
- Website Development
- Technical Classes
- Typing
- Hackathon

Events Date:

25 June 2024 to 14 July 2024.
